IN RE: Application of South Carolina Electric ) ORDER DENYING  
& Gas Company for Adjustments in the ) REHEARING AND  
Company's Coach Fares and Charges, ) RECONSIDERATION OF  
Routes, and Route Schedules. ) ORDER NO. 94-519

This matter comes before the Public Service Commission of South Carolina (the Commission) on the June 27, 1994 Petition for Rehearing and Reconsideration of Order No. 94-519, filed by South Carolina Electric & Gas Company (SCE&G or the Company). It should be noted that SCE&G moves for rehearing and reconsideration pursuant to S.C. Code Ann., §58-5-330(1976), as amended. The Order issued by us as Order No. 94-519 was an Order answering certain questions propounded by the Circuit Court pursuant to the May 10, 1994 Order of the Honorable Don S. Rushing. Therefore, Order No. 94-519 was an Order issued pursuant to a Court request for clarification. We hold that S.C. Code Ann., §58-5-330(1976), as amended, does not apply in this situation. We hold that this section applies when parties request rehearing in actions under the Commission's original jurisdiction. The Order in the case at bar was issued strictly pursuant to a Court request. Since the Code section is not applicable in this case, the Petition for Rehearing and Reconsideration of Order No. 94-519 must be denied.

IT IS THEREFORE ORDERED THAT:

1. The Petition for Rehearing and Reconsideration of Order No. 94-519 is denied.

2. This Order shall remain in full force and effect until further Order of the Commission.
